

SFRA Support A New Scholar Program

Track B: Non-Tenure-Track Scholars

Dear SFRA community,

We are pleased to post a call for applications for the **SFRA Support a New Scholar Program** (SNS), for 2018-2019*.

This New Scholars Program supports advanced students and scholars of outstanding promise, in alternating years, to assist them in taking part as active members of the science fiction community.

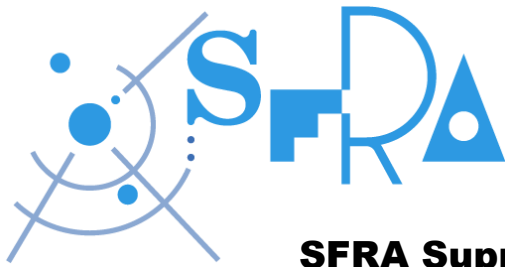

This excellence-based grant is aimed to help fund one non-tenure-track scholar for a period of two years, covering membership costs.

Please find below eligibility criteria and application forms for both tracks.

DEADLINE FOR SUBMISSION: October 15, 2017

If you have any further questions please contact the SFRA President, Keren Omry at: k.omry.haifa@gmail.com

** Please note that the period for the grant is January 2018 – December 2019.*

**SFRA Support A New Scholar Program (SNS)
(2018-2019)***

Track B: Non-Tenure Track Scholars

- Eligible candidates will have a proven interest in SF.
- Eligible candidates must have a PhD or some equivalent record of professional maturity.
- Eligible candidates may not be employed as tenured faculty or in academic tenure-track posts for the duration of their participation in the program.
- Candidates may apply more than once for the program but can only be awarded one time (no matter which track).
- Awarded scholars are encouraged to attend the SFRA conference during the years they participate in the program.

Name:			
Postal Address:			
E-mail:		Tel.:	
Affiliation:			
Have you applied to the SFRA SNS in the past?	Yes / No	When?	
Have you attended an SFRA conference in the past?	Yes / No	When?	
Are you currently or have you been an SFRA member?	Yes / No	When?	

By signing the form you are confirming the accuracy of the details in your application and, should you be awarded the grant, your willingness to conform to the guidelines of the program as described and to make public your name and picture on the SFRA website.
